

Electronic warfare conference

Around 300 'Old Crows' or military electronic intelligence experts from across the country and outside are scheduled to meet for three days from Wednesday in Bengaluru for the fifth annual conference on electronic warfare.

Conference host, the Association of Old Crows India Chapter, said EWCI 2018 will be inaugurated by S. Christopher, secretary, Department of Defence Research & Development and chairman, DRDO. AOC India is headed by former DRDO director U.K. Revankar.

Participants include scientists from defence electronics laboratories of DRDO, delegates from the Armed Forces, public sector companies such as Bharat Electronics and private industry. Around 50 exhibitors will be present.
