#### Note / Disclaimer:

- i. This Process Control Document template is applicable for materials like Mill forms/feed stock
- ii. If any details under the above headings/contents is IPR of the company, then an Internal control document shall be prepared and authenticated for those details by the company and the Internal document reference shall be mentioned in this Process control document (PCD).
- iii. CEMILAC/RCMA has the authority to delete or add /seek any relevant details as part of this PCD as per requirement.
- iv. This Document contains information pertinent to <company> unauthorized copy is strictly prohibited Any error or discrepancy in the process control document shall be the responsibility of the development agency (company name)
