

**Project Proposal Assessment by DRDO Domain Lab/Technical Expert/RB Panel**  
**DRDO Grant-in-Aid Projects**

- |                             |                    |                          |
|-----------------------------|--------------------|--------------------------|
| 1. Project Title :          |                    | } To be filled by Dte/RB |
| 2. Principal Investigator : |                    |                          |
| 3. Grantee Institute :      |                    |                          |
| 4. Proposal Cost :          | 5. PDC (Months) :  |                          |
| 6. DRDO Domain Lab :        | 7. Funded through: |                          |
| 8. Proposal Assessment:-    |                    |                          |

S/No	Description	Select all options that apply
a)	Objectives & Scopes	<input type="checkbox"/> Quantified <input type="checkbox"/> Qualitative <input type="checkbox"/> Ambiguous <input type="checkbox"/> Relevant <input type="checkbox"/> Futuristic <input type="checkbox"/> Dated <input type="checkbox"/> Not in my area
b)	Proposed Deliverables by P.I.	<input type="checkbox"/> Technical Report <input type="checkbox"/> Recommendations by P.I. <input type="checkbox"/> Designs/Formulae/ Process Definition <input type="checkbox"/> Data (Collected or Generated) <input type="checkbox"/> Source Code and Build/Install <input type="checkbox"/> Application/Test Suite <input type="checkbox"/> Prototypes <input type="checkbox"/> Test & Measurement Rig. or other infrastructure
c)	Recommended Deliverables by Reviewer for this project	<input type="checkbox"/> Technical Report <input type="checkbox"/> Recommendations by P.I. <input type="checkbox"/> Designs/Formulae/ Process Definition <input type="checkbox"/> Data (Collected or Generated) <input type="checkbox"/> Source Code and Build/Install <input type="checkbox"/> Application/Test Suite <input type="checkbox"/> Prototypes <input type="checkbox"/> Test & Measurement Rig. or other infrastructure
d)	Technical Approach	<input type="checkbox"/> Constructive & Convincing <input type="checkbox"/> Based on Original Idea <input type="checkbox"/> Based on exploiting recent breakthrough <input type="checkbox"/> Feasible <input type="checkbox"/> Based on Prior Work of PI <input type="checkbox"/> Not Feasible

e)	Relevance and utility to DRDO/Defence	<input type="checkbox"/> Essential for futuristic systems in DRDO Roadmap <input type="checkbox"/> Essential for ongoing system development by DRDO <input type="checkbox"/> Relevant for Eco-system gap filling <input type="checkbox"/> Relevant for Eco-system capacity enhancement <input type="checkbox"/> Relevant for Indigenization of in-service equipment
f)	Reviewer's Confidence	<input type="checkbox"/> High <input type="checkbox"/> Medium <input type="checkbox"/> Low <input type="checkbox"/> Not in my area at all
g)	Capacity to Engage	<input type="checkbox"/> Initial reviews for sanction only <input type="checkbox"/> Reviews during execution <input type="checkbox"/> Mentoring of PI/DA at design <input type="checkbox"/> Mentoring of PI/DA for development <input type="checkbox"/> Accepting of output and ToT on successful closure.
h)	Recommendation	<input type="checkbox"/> Accept <input type="checkbox"/> Accept with changes <input type="checkbox"/> Change & Resubmit <input type="checkbox"/> Reject

**Note :** (i) Additional comments may be annexed as desired.  
(ii) Assessment form to be understood in context of Project Feedback and Project Closure norms issued separately.

**Feedback :** a) Time taken to read proposal \_\_\_\_\_  
b) Time taken to fill Assessment \_\_\_\_\_

**Date :** \_\_\_\_\_ **(Name & Signature of Domain Expert/Reviewer)**

**COUNTERSIGNED**

**(Project Director/Group Head/Lab Director)**
