Skill Development Training Programme

In line with the Govt. of India's drive on promoting skill development across the country, and our Prime Minister's vision of making India the 'Skill Capital of the World', INMAS is committed to bridging the skill gap by imparting training to Radiographer, Medical Laboratory Technologist, User/Technician/animal handler at Experimental Animal Facility. "INMAS (DRDO) - Integrated Skill Initiative" is an integrated programme on 'Skill Development', initiated by INMAS (DRDO) using in house expertise and infrastructure of Medical Lab Technology, Imaging Sciences and Experimental Animal science. INMAS through a uniquely designed eight week training programme aims to remove the disconnect between demand and supply of skilled manpower, to build new skills and innovative thinking, not only for existing jobs but also for jobs that are to be created. The first programme of the series would commence from **02 Jan 2018**. Applications are invited from eligible citizens of India for the training programme as per application format given below:

Sl. No	Training Programme	Duration	No of Intake	Qualification & Remarks
1.	Radiographer	08 Weeks	05	❖ Diploma in Radiology or undergoing equivalent degree from a PCI recognized institute.
2.	Medical Laboratory Technologist	08 Weeks	05	❖ Diploma in Medical Laboratory Technology or undergoing equivalent degree from a PCI recognized institute.
3.	Laboratory Animal Science	04 Weeks	05	❖ Degree in the field of Medicine, Life Science and

				Veterinary Science or undergoing equivalent degree. ❖ Pursuing research on experimental animal subject or will pursue research on experimental animal subject
