

PRESS RELEASE

Nationwide 'Blood Donation Camp' organised by Defence Science Forum, DRDO at Bangalore, Delhi & Hyderabad

Defence Science Forum under DRDO took an initiative for contributing towards society by organising a 'Blood Donation Camp' during 13th - 18th Nov 2013 at Bangalore, Delhi and Hyderabad simultaneously in coordination with the Indian red Cross Society.

The response from members from various DRDO Labs was overwhelming and a large number of officers / staff actively participated in the camp 238 units of voluntary blood donations have been handed over to Indian Red Cross Society for a noble cause. The breakup of blood donations is: Bangalore-107, Hyderabad-70 and Delhi-61.

DSF thanked all volunteer blood donors for their invaluable contribution towards the society.

The efforts of DSF were appreciated by DRDO fraternity by & large and acknowledged by the Indian Red Cross Society for taking such initiative and extending invaluable service towards the needy patients.
