

DESIDOC

1st April, 2013
DESIDOC, Delhi

DESIDOC is planning to setup "**DRDO E-Books Service**" for *Defence Science Library (DSL) members from different publishers based on their requirements. Some of the important features of eBooks are:

- Full text searching facility from entire database and specific chapter with proper navigation & bookmarking.
- Table of contents that you can click to navigate to specific chapters or sections.
- Options of zoom in and out when viewing the eBook.
- 24x7 simultaneous access and unlimited downloads at a time etc.

The online web application "**E-Books Requisition**" is developed by DESIDOC, which is available on Intranet/ LAN of DRDO for fetching the requirement of eBooks from DRDO Scientists/Officers.

Therefore, it is requested to all Scientists/officers to send their requirement related to their project area through online requisition facility.

It is further informed you that DESIDOC is also planning to subscribe the standards from different publishers based on lab requirement. So it is requested to kindly send the requirement for standards if needed.

***DSL Members:** Any Scientists/Officers of DRDO Community
