

President applauds DRDO

Hon`ble President in his first address to newly elected parliament applauded DRDO`s MISSION SHAKTI for making the nation proud.

"During the Lok Sabha elections, the country attained another milestone, which however, did not receive as much attention as it should have. With the successful testing of 'Mission Shakti' a new dimension has been added to India's capability in space technology and security-preparedness. For this, today I once again congratulate our scientists and engineers."
